Powering Garage Doors

Your Home, On Command

## Monitor & Control away from home

Have you ever left home and were not sure if you had closed the garage door? No need to worry, thanks to Merlin MyQ technology. This innovative technology allows you to monitor, control and receive alert notifications away from home. The Commander MyQ & SilentDrive Elite MyQ garage door openers use a Merlin Internet Gateway which connects to your router and enables complete control of your garage door opener via your Smartphone, Tablet or Computer. Your Home, On Command.

## Using myQ Technology Is Easy

### Connected Devices

Activate functionality of your garage door via your connected devices by using the MyQ Merlin App on your Smartphone/Tablet or by via [www.mymerlin.com.au](http://www.mymerlin.com.au) or [www.mymerlin.co.nz](http://www.mymerlin.co.nz) sites through your computer.

Demonstration of Commander MyQ on a sectional garage door.

### MyQ Gateway + Internet Router

1. Devices connect to internet router & MyQ Gateway.
2. MyQ Gateway connects to Garage Door Opener.

### Garage Door Opener + Garage Door

1. Garage Door Opener receives the message.
2. Garage Door Opener opens/closes the door.

## MyQ Scheduling

My Q is customisable to your ever changing lifestyle. With the MyQ scheduling feature you can select the specific close times for your garage door. MyQ Scheduling can be set for any time of the day, any day of the week or every day of the week. MyQ Scheduling feature is available in the MyQ App on your Smartphone or Tablet and or via [www.mymerlin.com.au](http://www.mymerlin.com.au) or [www.mymerlin.co.nz](http://www.mymerlin.co.nz) sites through your computer.

## MyQ Touch ID

MyQ Touch ID offers advanced security and convenience with fingerprint scanning. Available only for iPhone and iPad products that offer fingerprint functionality. MyQ Touch ID removes the need to enter your 4 digit security code to access your Merlin MyQ App, providing extra convenience and increased security levels.

## Included Accessories
